One employee and two outside, private caregivers have tested positive since our last memo yesterday. It appears that all who are positive and vaccinated are experiencing very mild or no symptoms at all, thankfully. This does not change our work to contain the spread of this virus to the fullest extent possible.

Mandatory Testing for Staff and Harbors’ Residents

Testing continues today for all staff and all Harbors’ residents. Testing of staff will happen from 10 am to 12 pm in the 6th floor conference room, 1 pm to 4:30 pm in the 6th floor conference room, after 4:30 pm by the nurse on the 8th floor of The Harbors.
