 Re: COVID-19 Prevention and Protection

**COVID Count**

ACTIVE cases	
Residents	Staff
2	1

RECOVERED cases	
Residents	Staff
23	41+7

"+7" refers to a non-staff provider

Yesterday afternoon we learned that a couple living in IL tested positive for COVID. Both have been in quarantine and we have done contact tracing to help protect anyone else who might have been exposed.

**IL Resident Vaccinations**

If you are an IL resident and would like to be vaccinated, please visit the screening table anytime today after 10 am or before end of day Thursday, January 14. This will be your opportunity to review the FDA Fact Sheet on Moderna and the copy of your informed consent that has been filled in with your information.

All you need to do is sign and date the highlighted areas of the consent form and return it to the drop box or screening table staff before end of day Thursday, January 14. The remainder of the form will be completed with the pharmacist or Admiral staff at the vaccination clinic.
